Title of the Manuscript:

I/We certify that I/we have participated sufficiently in the intellectual content, conception, and design of this work, or the analysis and interpretation of the data (when applicable), as well as the writing of the manuscript, to take public responsibility for it. I/We agree to have my/our name(s) listed as contributors and confirm that the manuscript represents valid work.

Each author confirms they meet the criteria for authorship as established by the ICMJE. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter.

I/We certify that all data collected during the study are presented in this manuscript and that no data from the study has been or will be published separately. I/We agree to provide, upon request by the editors, any data/information on which the manuscript is based for examination by the editors or their assignees.

I/We have disclosed all financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this manuscript in the cover letter. Sources of outside support for the project are also disclosed in the cover letter.

In accordance with open access principles, I/we grant the Journal the exclusive right to publish and distribute this work under the Creative Commons Attribution-NonCommercial-ShareAlike (CC BY-NC-SA) license. This license permits others to distribute, transform, adapt, and build upon the material in any medium or format for non-commercial purposes, provided appropriate credit is given to the creator(s). Any adaptations must be shared under the same license terms. The key elements of the CC BY-NC-SA license are:

- BY: Credit must be given to the original creator(s).
- NC: Only non-commercial uses of the work are permitted.
- SA: Adaptations must be shared under the same license terms.

I/We retain academic rights to the material, and the Journal is authorized to:

1. Grant permission to republish the article in whole or in part, with or without fee.
2. Produce preprints or reprints and translate the work into other languages for sale or free distribution.
3. Republish the work in a collection of articles in any mechanical or electronic format.

I/We give the rights to the corresponding author to make necessary changes as requested by the Journal, handle all correspondence on our behalf, and act as the guarantor for the manuscript.

All individuals who have made substantial contributions to the work but do not meet the criteria for authorship are named in the Acknowledgment section with their written permission. If no acknowledgment is provided, it signifies that no substantial contributions were made by non-authors.
